TABlero DEL JUEGO MONSTRUO DE FRUTAS 01

The game board is set against a light blue sky background with faint clouds. On the left, there is a white rectangular box containing a pink, toothy monster mouth. To the right of this box is a 2x10 grid of empty blue squares. At the bottom of the board, there is a green grassy area with ten white, tooth-like shapes protruding upwards, each corresponding to a column in the grid above.
