CRITTER ADDITION GAME MAT 01

CRITTER ADDITION GAME MAT 02

A large blue rectangular area representing a game mat. On the right side, there is a stack of 16 white, cartoonish critters arranged in a 4x4 grid. The critters are standing on a thin orange horizontal bar. To the left of the stack, there is a mathematical equation template: a horizontal line followed by a plus sign (+), another horizontal line, and an equals sign (=). The background of the mat is light blue with a few faint white clouds.
