

FIVE FOR TWENTY-FIVE

Players: 2 to 4

Supplies:
1 deck of cards

Objective: To have a hand of five cards that total 25 using addition and subtraction.

How to Play:

1. Deal five cards to each player.
2. Place the remaining cards in the center of the group.
3. Players will look at their cards and determine if they can get 25 using addition and subtraction.
 - a. When a player has a hand totaling 25 using all five cards, they will call out "25." That player wins if they are first to say 25 and can successfully show how they made 25.
 - b. If no player has cards that total 25, the round is over.
4. To begin the new round, each player must discard one card in a discard pile first, then draw one new card from the pile.
5. Continue playing until one player has 25.
