

ST Math Weekly Tracker

NAME: _____ DATE: _____

Directions: Set a goal each week. At the end of ST Math time, shade in the amount of time on the clock that you spent on the program. Use a different color each day of the week to show the amount of time earned that day. Use tally marks to show your number of logins. At the end of the week, write the total number of minutes and puzzles earned on ST Math that day. Indicate whether or not you met your goal.
