

On or before day one:

Teacher

- ☐ **Check your account.** Sign in as an educator at play.stmath.com using your school email and the password from the email you received.
- ☐ **Plan** how you will introduce the program and Picture Password to students new to ST Math.

On day one:

Teacher

- ☐ Introduce students who are new to ST Math to the program and Picture Password.
- ☐ Sign in to your account at play.stmath.com.
- ☐ Create a class using the Actions menu on your home screen.
- ☐ Click on the class to open it. Click the Actions menu and select Add Students.
- ☐ Click Create Invitation Code.
- ☐ Provide each student with that code which is active for 72 hours.

Students

- ☐ Open play.stmath.com.
- ☐ All students – click Invitation Code.
- ☐ Enter Invitation Code. Click Go.
- ☐ Students returning to ST Math: Enter their Picture Password.
- ☐ Students new to ST Math:
 - ☐ Click New Account.
 - ☐ Enter first name.
 - ☐ Enter last name.
 - ☐ Begin Picture Password training.

Teachers

- ☐ Provide students 15-30 minutes to learn their password.

Students

- ☐ Sign out by clicking on student name and selecting Sign Out.

For more information, click Professional Learning in the Support dropdown on your home screen and visit the ST Math Academy.
