## Minutes and Puzzles

### Weekly Goals:

PK : 30 minutes | 10-30 puzzles  
 K-1: 60 minutes | 25-65 puzzles  
 2-8: 90 minutes | 35-95 puzzles

## Objectives

The Objectives Tab has two views. The Journey view will inform you whether the class is making progress through the grade-level objectives.

The Assignments view will inform you whether students are completing the objectives assigned by the teacher for alignment, intervention, or differentiation.

## Look-For Checklist

- Are students meeting minutes expectations for their grade level?
- Are students collecting puzzles consistently?
- Are students completing objectives?
- Are there any accomplishments to celebrate?
- Do my teachers need support?
