

Now that your account has been created, let's take a look at the options for your professional learning needs.

There are 3 steps to a successful ST Math start-up.

**Everyone completes STEPS 1 and 2. This is prerequisite to selecting an option from STEP 3.**

## 1 Unit 1: Before Day 1 with students

**Self Paced:** Educators access the on-demand training modules through ST Math Academy and complete [The Essentials Course Unit 1 Before Day 1](#) ONLY (40 minutes).

and

## 2 Texas Teachers Planning Document

Educators complete the [Texas Teachers Planning Document](#)

- you will receive a copy of your completed document
- your completion of this task will be documented and shared with administrators

then

**Choose one of these Coursework Options AFTER finishing steps 1 & 2.**

## 3 OPTION 1: Instructor Led - Webinar Coursework

Register and attend the live webinars with colleagues and instructors.

- [PL100tx](#) (90 min): start-up session - prior to starting with students
- [PL102tx](#) (60 min): follow-up session - 4-6 weeks after starting

or

## 3 OPTION 2: Self-Paced. On-Line Coursework

Complete all three courses (approximately 105 minutes).

- [Unit 2 \(39 min\): After Students Start Playing](#) - prior to start-up
- [Unit 3 \(32 min\): After 4-6 Weeks](#) - 4-6 weeks after start-up
- [Unit 4 \(34 min\): Throughout the Year](#) - 4-6 weeks after start-up

Instructor Led - Webinar Coursework is offered multiple times per week.

You can learn more about the sessions, dates, and registration [HERE](#).
