Textbook Correlations
My Math Curriculum
Grade 3

MY MATH	ST MATH	PUZZLE TALKS *Must be signed in to ST Math to access.*
1. Place Value	Rounding Three-Digit Numbers	
2. Addition	Addition and Subtraction within 1000 Strategies Composing and Decomposing within 1000 Number Patterns	
3. Subtraction		
4. Understand Multiplication	Multiplication Concepts Properties of Multiplication	Intro to Symbolic Multiplication Counting with Equal Groups Properties of Multiplication
5. Understand Division	Division Concepts	Intro to Visual Division
6. Multiplication and Division Patterns	Multiplication and Area	Area and Multiplication Concepts of Tiling and Area
7. Multiplication and Division	Multiplication Facts and Strategies Division Facts and Strategies	
8. Apply Multiplication and Division	Multiplication and Division Relationships	Multiplication and Division Relationships
9. Properties and	Solve Two-Step Problems	

MY MATH	ST MATH	PUZZLE TALKS *Must be signed in to ST Math to access.*
Equations		
10. Fractions	Fraction Concepts Fractions on the Number Line Fractions Equivalence and Ordering	Visual Fractions Concepts Building Fractions with Unit Fractions Equivalent Fractions Unit Fractions on the Number Line Fractions on the Number Line
11. Measurement	Mass and Volume Time to the Minute Intervals of Time	Elapsed Time
12. Represent and Interpret Data	Line Plots	
13. Perimeter and Area	Area and Perimeter	Area Calculating Perimeter Area and Perimeter Together Build a Given Area and Perimeter
14. Geometry	Scale and Measurement in Graphing Shape Attributes
