FRACTION ROBOT GAME MAT 03

The image shows a fraction game mat with a blue sky background and a green grass strip at the bottom. A horizontal line is drawn across the top. Below the line, there are two vertical grids, each consisting of 12 squares arranged in 6 rows and 2 columns. A thick black horizontal line is drawn across the middle of each grid, separating the top 6 squares from the bottom 6 squares. Between the two vertical grids is a dashed square. To the right of the second vertical grid is an equals sign (=). To the right of the equals sign are four horizontal grids, each consisting of 6 squares arranged in 3 rows and 2 columns.
