

TABLERO DEL JUEGO REPARTO EQUITATIVO

[illegible]This image shows a blank worksheet template for a bar graph. The background is a solid light blue. There are six vertical white bars of equal height, each divided into ten horizontal segments by thin black lines. Below each bar is a white rectangular box with rounded corners, intended for labeling the categories. The entire template is designed for students to create a bar graph by coloring the bars and labeling the categories.
