

A cartoon illustration of a penguin with large, expressive eyes and a yellow beak, looking upwards in awe. The background is a dark cave filled with numerous glowing green and blue stalactites and stalagmites. The lighting is soft and ethereal, highlighting the textures of the rock formations and the penguin's feathers.

## Waitomo Glowworm Caves **NEW ZEALAND**

WHY JIJI THINKS IT ROCKS!

In New Zealand, there are caves filled with a sparkling surprise! The Waitomo Glowworm Caves are home to a magical insect called a glowworm that hangs out on the walls and ceiling like little cave fairies. They glow with a beautiful blueish-green light, turning the dark caves into a twinkling wonderland!
