| Sentence Frames: Example Sentence Frames | | |
| Activity Plan | | |
| <p>Instructions:</p> <ol style="list-style-type: none"> Project a puzzle or a screenshot of a puzzle. Optional: Printout of the puzzle. Have students work with their partner to label everything they notice. <ol style="list-style-type: none"> Students might write their labels, circle what they notice and verbally label in English, or use their native language to label verbally or in writing. Have students name everything they notice using PSP sentence frames such as "I notice ___." Facilitate a group discussion. <ol style="list-style-type: none"> Annotate the projected puzzle with student-generated labels. Students can add labels to their own printouts for any words they did not know. | | <p>Materials Needed:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Whiteboard <input type="checkbox"/> Markers <input type="checkbox"/> Suggested Manipulatives <input type="checkbox"/> Optional: Game Mat or Math Mat |
